DEFINED OUR VOCABULARY

Vagina/Penis

Sex

Verkering

CLARIFIED INFORMATION

MYTH

The vagina can get looser after engaging in lots of penetrative sex.

➔

FACT

The elastic muscles of the vagina can stretch and return to their usual shape.

MYTH

Everyone is having sex.

➔

FACT

A 2017 study shows that 50% of Dutch adolescents chose to have sex at a later age than previous years.

MYTH

Size matters.

➔

FACT

Penises come in all kinds of shapes and sizes. All are worthy of love and celebration.

MYTH

Vaginal discharge means there's something wrong.

➔

FACT

As long as its maintaining its same appearance and consistency, vaginal discharge is completely normal!
